TAX PROVISION

All non-federal government and non-exempt consumers served hereunder shall be assessed and billed an energy excise tax in accordance with Schedule EET.

The consumer shall also pay in addition to all other amounts provided herein any other sales, use, franchise, gross receipts, utility, excise, or other tax now or hereafter applicable to the service rendered hereunder or imposed on the Cooperative as a result of such service; provided, however, that no such tax shall be included in the monthly charge if the consumer has furnished to the Cooperative satisfactory evidence of the Cooperative's exemption from liability for such tax.

TERMS OF PAYMENT

The above rates are net. The net amount is due and payable on the due date stated on the bill. If the total net bill as computed above is not paid by the due date, the net bill will be increased by five percent (5%) and such gross amount will be immediately due and payable.

SEASONAL SERVICE

Consumers desiring intermittent service may be served under this schedule on an annual basis. The annual minimum shall be \$360.00 plus \$24.00 per required transformer kVA capacity in excess of 10 kVA plus applicable adjustments. The minimum annual charge shall be payable in advance of the connection.
